

Sentry Data Systems Honored at 2011 Fast Tech Awards

Sentry Data Systems named one of South Florida's 25 fastest growing technology companies

DEERFIELD BEACH, FL —October 24, 2011—Sentry Data Systems, Inc., a healthcare technology solutions company headquartered in Deerfield Beach, Florida, has been named as one of South Florida's 25 fastest-growing technology companies by South Florida Business Journal. The 2011 Fast Tech Awards ranked Sentry Data Systems 19 out of the 25 local technology companies recently honored.

"We are proud to be recognized for our outstanding financial growth and achievements," says Travis Leonardi President and Founder of Sentry Data Systems. "It is an honor to be listed among South Florida's technology leaders. Our mission is to provide the best healthcare business intelligence and procurement applications necessary for Hospitals and Hospitals systems to thrive and maintain competitiveness in the challenging healthcare market."

Technology innovators gathered for a breakfast ceremony on Thursday, October 13, 2011 at the Westin Fort Lauderdale as Fast Tech Awards honorees were announced in sequential order. Attendees included technology leaders from the tri-county area, their colleagues and local business leaders.

South Florida Business Journal Fast Tech Awards

The Fast Tech Awards are determined by the South Florida Business Journal (SFBJ) research department. Consideration is given to companies headquartered in South Florida that have been in business for a minimum of three years. SFBJ researches established companies who demonstrate significant revenue growth, solid operating history, solution-based products and contributions to South Florida's economy.
